

**Joint Statement of the
Philippine Dental Association and
The National Association of Dental Traders Incorporated**

The Philippine Dental Association and the National Association of Dental Traders Inc. are one in helping the Filipino Dentists in the fight against Covid-19 and its effect in the dental practice. PDA is now preparing the guidelines for the so called “New Norm” in the clinical practice and NADTI is committed to help PDA members to source out affordable and quality Personal Protective Equipments (PPE) and equipments. NADTI as a true partner of the Philippine Dental Association is willing to extend terms of payment to the affected PDA members.

This is a part of the collaboration between the Philippine Dental Association and the National Association of Dental Traders Inc. in its commitment to alleviate hardships during this difficult time of pandemic caused by Covid-19.
