Dear colleagues and friends from the Philippine Dental Association,

Greetings!

We, the PDA Hinirang NCR South Presidents, urge the public to refrain from circulating false information in social media on supposed COVID-19 infection of five (5) NCR Presidents who participated in the PDA-Dolfenal Regional Scientific Symposium (NCR South) on March 23, 2021 at PDA Building, Makati City. The undersigned wish to inform the public that we have not contracted COVID-19 and we did not exhibit any symptoms of the disease after the event up to this date.

Moreover, there were only four (4) NCR Presidents physically present at the venue to assist on the technical aspects of the webinar that we organized together with NCR South Regional Coordinator and PDA Vice President – Luzon South. The attendees strictly observed the prescribed health protocols during the said event.

It is with deep sadness that twenty-one (21) days after the event, we received the unfortunate news that one of our fellow presidents who volunteered during the event, was diagnosed with COVID-19 and passed away the day after. We pray for her eternal repose and we extend our sincerest condolences to her family. We also pray that all of us will aspire to be paragons of truth and compassion during these trying times.

Maraming salamat po!

Yours in service for PDA
