MEMORANDUM NO. 2021-0023

TO : ALL MEMBERS

**FROM : DR. JOSE ANGELO G. MILITANTE
PDA PRESIDENT**

DATE : January 3, 2022

SUBJECT : COVID – 19 OMICRON VARIANT ADVISORY

Greetings! Hope everything is well and good!

The current surge of the COVID-19 virus, possibly a new variant over the last few weeks, is once again a cause of concern. The Philippine Dental Association reminds all our dental professionals to take utmost precautions and continue to adopt practices to protect the health of our employees and patients.

To ensure that we continue serving our patients in our clinics, we remind everyone to take proactive steps and follow health protocols in the strictest sense to minimize the disruptions in our delivery of proper dental care. Please know the safety, health, and well-being of our dentists and patients is our top priority, and we encourage everyone to cooperate in taking steps to avoid the transmission of the virus.

The PDA is closely monitoring the situation, and we are reminding everyone to discourage false information from circulating and rely on official announcements.

To update us on the latest information on COVID - 19 and the Omicron Variant, a DOH and PDA Town Hall meeting will be held on January 6, 2022. Please see attached invites for the link and FB Live.

We will notify everyone immediately of any other updates coming from the DOH and IATF. Keep safe, stay healthy. God be with us all.

Sincerely Yours,

DR. JOSE ANGELO G. MILITANTE
President
